

Customer and Stakeholder Engagement: Ross-on-Wye

On 30 November 2022 we announced the closure of 114 branches, including our branch at Ross-on-Wye. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 20th and 23rd January, we wrote to all regular users of this branch. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to Jesse Norman, constituency MP, on 30 November 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Post Office
- HM Treasury
- Cash Action Group
- CBI
- British Chambers of Commerce
- Which?

On 23 January 2023 our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Councillor Sarah Robson, Town Council
- Councillor Ed O'Discroll, Town Council
- Joe Francis, Post Office
- Chamber of Commerce
- Citizens Advice
- Barnardo's
- Age UK
- BHF
- Lions Club, Ross on Wye
- Enviroability
- Local Library
- Alzheimer's Society

We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for

additional support. To view these reports just scan the QR code or visit <https://www.hsbc.co.uk/branch-finder>. Copies are also available in the closing branch.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to Jesse Norman, Constituency MP and there has been no further correspondence.
- The Post Office Area Director responded to our letter and was very keen to work together to ensure customers are supported during this time. Our Local Director will continue to liaise with the Post Office to ensure our customers are fully supported.
- The Town Clerk for Ross-on-Wye Town Council responded to confirm they had received our letter and that this was being forwarded to Herefordshire Council who were carrying out a review of local services.
- Customers have shown concern about the members of staff in the branch and have been pleased to learn that the team would be relocating to other branches.
- General customer sentiment was disappointment that the branch was being closed as they are concerned about the availability of counter services. The staff within the branch have been actively supporting these customers and discussing the counter services available at the Post Office.

Follow up action taken

- We have been proactively speaking to customers at the branch about the different ways in which they can complete their transactions following the branch closure. Some customers we spoke to had not used the digital channels available before,

Information correct at the time of publication.

we have explained the transactions that can be completed and supported customers to complete their banking during their visit using these channels.

- We have been supporting customers in setting up telephone and digital banking. The branch team have been speaking to customers who use the branch, educating them on how to navigate mobile and internet banking, which will enable them to complete transactions using these channels.
- The branch team will be holding Pop Up events once the branch closes. Our branch experts will be on hand to offer important advice on how to reduce the risk of fraud on your account, give guidance and support on the different ways customers can do their banking, including the services available at the Post Office and help with queries about our products and services.

Contacting the bank after closure

Following the closure of this Branch, if you have any questions or need advice on how to access our services, you can contact us in the following ways:

- Visit us at <https://www.hsbc.co.uk/waystobank/>
