

# Financial Wellbeing – Financial Health Check

## **Audio transcript**

We all know where to go for a health check or where to take your car for an MOT – but who do you talk to to stay on top of your money?

Sometimes starting a conversation about money is the hardest part.

If you want to talk openly about your finances with a friendly expert, HSBC can help.

Our Financial Health Checks are open to everybody, no matter who you bank with.

Simply book an appointment at a time and date that suits you, and one of our specialists will chat through your financial needs and goals.

We don't offer financial advice, but you'll get access to tools, practical tips and guidance on making the most of your money – and it's absolutely free.

You can even book follow up sessions to help make the most of your money for longer.

Whether you need information on reaching savings goals, planning your retirement, or buying your first home, our door is always open.
