Welcome to your HSBC Travel Insurance

Please take time to read this booklet as it contains important information. To help you understand what you are covered for at a glance – we’ve highlighted some common questions below. If you have a question and cannot find the answer either below or in the policy wording, please contact Customer Services.

**Who is covered by this policy?**

Cover is for you, the account holder, your domestic partner (providing you are both under 70 years of age at the start date of your trip), and your children travelling with you if they are under 18 years of age (or under 23 if in full time education and living with you outside of term time).

All insured persons must be residents of the UK, Channel Islands or Isle of Man.

**Do I need to tell you that I am travelling?**

No. As long as you have told us about any relevant pre-existing medical conditions you do not need to register with us or tell us that you are travelling.

**Do you need to know about any medical conditions?**

Yes. Please call the Medical Risk Assessment Helpline to tell them if you, or any other insured persons have received advice, medication or treatment for any serious, chronic or recurring illness, injury or disease, which includes investigations or referrals for any undiagnosed conditions. Failure to disclose before booking trips or travelling will result in no cover for claims arising from undisclosed conditions. See the ‘Your Health’ section on page 17 for full details of when and what you must declare.

**What is the maximum trip length?**

Trips should be no longer than 31 days and must start and end in the UK, Channel Islands or Isle of Man. However, when booking your trip, you may be able to purchase an upgrade to cover an extended duration.

**What upgrades are available on this policy?**

The following upgrades may be available for an additional cost: extended trip duration up to a maximum of 120 days; increased cancellation cover to £7,500 per person; increased cover for golf equipment and fees; and also cover for medical emergencies if you wish to scuba dive to a depth of 30 metres. For further information please see page 13.

**Are holidays in the UK covered?**

Yes. Holidays in the UK, Channel Islands or Isle of Man need to involve a stay of at least 2 consecutive nights in pre-booked holiday accommodation. Please see our definition of ‘pre-booked holiday accommodation’ on page 11.

**Are winter sports holidays covered?**

Yes. Winter sports holidays are covered for up to a maximum of 31 days in any calendar year. Please see the full details of what’s covered on page 23.

**Are business trips covered?**

Yes. If you travel outside of the UK to carry out office-based clerical or administrative duties you are covered up to a maximum of 31 days in any calendar year. We do not cover any other type of business travel even if you have some free leisure time during your trip.

**Can I claim for cancellation of my trip if I have a problem with my travel documents eg, my passport is out of date/not arrived in time or visa is invalid?**

No. There is no cover under this policy for problems with your travel documents before you leave. If your passport is lost, stolen or damaged once you are abroad there is cover to help you in this situation. Please see the Emergency Travel Document Expenses section on page 35.

Before you book a trip, check the entry requirements of the country you intend to visit with the local government embassy and/or the Foreign & Commonwealth Office website fco.gov.uk/knowbeforeyougo.

**How do I make a claim?**

To make a claim please call the relevant number on page 3 and refer to the information on page 5.

**Foreign and Commonwealth Office (FCO) – Travel Advice by Country**

As a partner in the Know Before You Go campaign, we are working with the FCO to help British travellers stay safe overseas. Before you travel overseas, check out the FCO website www.gov.uk/knowbeforeyouser. It is packed with essential travel advice and tips plus up-to-date information about different countries. We are not responsible for the content of other websites.

**Please note** this policy does not provide cover for cancellation or abandonment if you decide not to travel or continue a trip because the FCO have issued advice against all travel or all but essential travel to a particular country. In the event of such a Travel Advisory being issued for your destination, you should always contact your tour operator/travel agent in the first instance.

If you cannot rearrange your travel and you want to continue with your trip, you will have the full benefit of your insurance, so long as you comply with the advice of the local authorities, for example by observing curfew restrictions and avoiding public gatherings or demonstrations and you do not put yourself in danger. Specifically please note General Exclusions 1 and 4 on page 14.

**Air and Maritime Passenger Rights**

For the latest advice and further details on your rights please visit the following websites: www.caa.co.uk and search for travel problems www.dft.gov.uk and search for maritime passenger rights

You should also refer to the terms and conditions of the carrier you are travelling with. We are not responsible for the content of other websites.

Changes will be notified to you in writing at least 30 days before they become effective. Policy cover may be increased or decreased.

Pre-existing medical conditions – important declarations you need to make

Pre-existing medical conditions are not covered at any time under this policy unless they have been disclosed to and accepted by our Medical Risk Assessment Helpline. It is important that you read and fully understand the Medical Declaration in this booklet on page 17.

You must call the Medical Risk Assessment Helpline, if at the time of opening your HSBC Premier account or when booking any trip (whichever is later), any insured person:

1. has received advice, medication or treatment for any serious, chronic or recurring illness, injury or disease in the last 12 months
2. is under investigation or awaiting results for any diagnosed or undiagnosed medical condition
3. is on a waiting list for, or aware of the need for, in-patient treatment for any diagnosed or undiagnosed medical condition

5. travels against the advice of a doctor or purposely travels without medical advice when it would have been reasonable to have consulted a doctor

You must also call the Medical Risk Assessment Helpline if any insured person knows of:

1. a close relative or close business associate whether travelling with you or not; and/or
2. a travelling companion or person you plan to stay with;

who has a serious illness, injury or disease which could affect your decision to take or continue a trip.

Between booking a trip and paying any balance or the departure date (whichever is later), you must call the Medical Risk Assessment Helpline if any insured person, or anyone upon whose good health the trip depends, has been referred to a Consultant/Specialist or been admitted to hospital. Cancellation cover will apply, however, if you still wish to travel, the Medical Risk Assessment Helpline will advise if cover will apply while on the trip.

As this HSBC Worldwide Travel Insurance is part of your HSBC Premier account, subject to you being an account holder, cover will continue as long as you remain eligible for cover (see ‘How long does my HSBC Travel Insurance run for’). You must tell the Medical Risk Assessment Helpline about any deterioration in the status or control of any condition previously declared or if you or anyone upon whose good health the trip depends develops another medical condition.
How long does my HSBC Travel Insurance run for?

The policy will remain in force until the first of the following automatic termination events occur –

• reaches 70 years of age (on joint accounts cover continues for other eligible account holder(s) until they reach age 70)
• is no longer a UK, Channel Islands or Isle of Man resident
• is believed to be or reasonably suspected by us to be acting fraudulently.
• HSBC cancels the Premier account in accordance with the rights set out in the HSBC Premier account terms and conditions.

This period begins on the date you opened the HSBC Premier account or when you receive your Travel Insurance policy document, whichever is later. To exercise the right to cancel this Travel Insurance the HSBC Premier account must be closed. If it is not closed the Travel Insurance will remain active until the first of the automatic termination events shown above occur.

To exercise your right to cancel, please contact your HSBC Premier Relationship Manager.

We will insure you against loss, damage, legal liability, illness or bodily injury, which may happen during the period of insurance providing:
1. the account holder has a HSBC Premier account.
2. you are a UK resident
3. the trip begins after the date the HSBC Premier account was opened
4. the journey is a round trip beginning and ending in the UK that lasts no more than 31 days, unless a trip extension upgrade has been purchased prior to the start of your trip
5. you have booked your return journey when travelling outside of the UK
6. the journey is either:
   a. a holiday outside the UK or
   b. office-based business travel outside the UK, or
   c. a holiday within the UK, which includes two or more consecutive nights stay in pre-booked holiday accommodation.

Children
Dependent children who at the start date of the trip are under 18 years of age (under 23 years of age if still in full time education and living at home outside of term time) are only covered:
• when travelling with the account holder, or his/her partner, or
• whilst travelling abroad on their own to visit and stay with close relatives who permanently live abroad, for the duration of the trip.

Automatic Cover
The insurance cover automatically applies for each trip; this means you do not have to contact us every time you book a trip, unless you need to tell the Medical Risk Assessment Helpline about any change to a previously disclosed medical condition or the diagnosis of a new medical condition. Please also read ‘Information and Changes we need to know about’ on page 13.
Information and Changes we need to know about
You must provide complete and accurate answers to the questions asked when you open your HSBC Premier account, for example, have you told the Medical Risk Assessment Helpline about any pre-existing medical conditions relating to you, and anyone whose good health your trip depends on (whether travelling or not).

After your HSBC Premier account is opened, you must also tell the Medical Risk Assessment Helpline if there are any changes to your health or the health of anyone else the trip depends on (eg, a travelling companion, or a close relative even if they are not travelling with you). Please see the Medical Declaration section of this policy.

When we are notified of a change, we will tell you if this affects your policy, for example whether we are able to accept the change and if so, whether the change will result in revised terms. If the information provided by you is not complete and accurate we may:

- revise or amend the medical underwriting decision(s) for any declared pre-existing condition(s), which may result in an accepted condition being excluded, or
- refuse to pay any claim, or
- not pay any claim in full.

If you are in any doubt about Information or Changes we need to know about, please contact us.

Amendments to your cover
You may be able to upgrade from the standard cover for the extensions shown below. To check if this is possible please call the Upgrade Helpline number shown on page 3 before you travel for further information and a quotation.

- Extended Trip Duration – you may be able to extend an individual trip from the standard 31 days up to a maximum of 120 days.

- Golfing Cover – cover for loss, damage or theft of your clubs and pre-booked green fees if you are ill/injured.

- Increased Cancellation/Abandonment Cover – where the cost of your holiday is more than £5,000, you may be able to upgrade to a maximum limit of £7,500 per person.

- Scuba Diving Cover – cover for emergency medical treatment to allow you to dive to 30 metres (standard cover allows dives of up to 15 metres).

Automatic Extension of Cover
If you cannot get back home before your cover ends, your insurance will remain in force as follows:

1. up to 14 days if any vehicle you are travelling in breaks down, or any vehicle, vessel, train or aircraft in which you are travelling as a ticket holding passenger is cancelled or delayed; or

2. up to 30 days if you cannot return home due to your accidental injury, illness or quarantine.

We will also continue to pay for medical treatment under the Emergency Medical and Associated Expenses section for this period or any extended period that is considered medically necessary by our Medical Emergency Assistance Provider and agreed by us.

Automatic Termination of Cover
All cover under this HSBC Travel Insurance policy will cease automatically:

- if the account holder closes the HSBC Premier account.

- when the account holder reaches 70 years of age.

If the HSBC Premier account is held in joint names and an account holder reaches 70 years of age, cover will continue for any other eligible account holder and other insured persons until all account holders have reached 70 years of age.

- if you are no longer a UK resident.

- is believed to be or reasonably suspected by us to be acting fraudulently.

- HSBC cancels the Premier account in accordance with the rights set out in the HSBC Premier account terms and conditions.

If an insured person is on a trip at the time an automatic termination event occurs, all cover will cease when the trip ends.

Your Cancellation Rights
This HSBC Travel Insurance will remain in force as long as the account holder has an active HSBC Premier account.

You have a statutory 14 day period in which to cancel your Travel Insurance. This period begins on the date you opened the HSBC Premier account or when you receive your Travel Insurance policy document, whichever is later. To cancel this Travel Insurance the HSBC Premier account must be closed. If it is not closed the Travel Insurance will remain active until the first of the ‘Automatic Termination of Cover’ events shown above occur, or the policy is cancelled in accordance with the rights set out in the General Conditions section of the policy wording.

To exercise your right to cancel, please contact your HSBC Premier Relationship Manager.

**General Conditions which apply to the whole travel policy**

1. The account holder must have a HSBC Premier account.

2. You must provide complete and accurate answers to the questions asked when you open your HSBC Premier account and to tell the insurer about your health and the health of anyone else your travel plans depend on. Please note that if you fail to tell the insurer about any pre-existing medical conditions this could invalidate your insurance cover and could mean that part or all of a claim may not be paid. It is therefore very important that you read the Medical Declaration in this booklet.

If the information provided by you is not complete and accurate, we may amend the medical underwriting decision(s) for any declared pre-existing condition(s) which may result in an accepted condition being excluded, or refuse to pay any claim, or not pay any claim in full.

3. You must take reasonable precautions to protect yourself and your property against any accident, injury, theft, loss or damage.

4. If we make a payment before cover is confirmed and our claims investigation reveals that no cover exists under the terms of the policy, you must pay us back any amount we have paid, which you are not covered for.

5. You must tell us as soon as possible after any injury, illness, incident or redundancy, or if you discover any loss or damage which may lead to a claim under this policy. You must also tell us if you are aware of any legal proceedings, summons or prosecution. You must send us every communication relating to a claim as soon as reasonably practicable.

6. You, or any person acting for you, must not negotiate, admit or reject any claim without our permission in writing.

7. We may refuse to pay any expenses for which you cannot provide receipts or bills.

8. You or your legal representative must pay for any certificates, information and evidence, which we may need. When there is a claim for injury or illness, we may ask for, and will pay for, any insured person to be medically examined on our behalf. We may also ask for, and will pay for, a post-mortem examination if any insured person dies.

9. If, at the time of an incident which results in a claim under this policy, there is any other insurance covering the same loss, damage, expense or liability, we are entitled to approach that insurer for a contribution towards the claim, and will only pay our share. This condition does not apply to the Personal Accident, Hospital Benefit or Holiday Disruption cover.

10. We are entitled to take over and carry out in your name the defence or settlement of any legal action. We may also take proceedings at our own expense and for our own benefit, but in your name, to recover any payment we have made under this policy to anyone else.

11. You cannot transfer your rights under this policy.

A person, partnership (whether limited or not) or company who is not insured under the policy has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

12. If you make a medical claim you may be asked to supply your doctor's name to enable us to access your medical records. This will help the treating doctors, and us, to provide you with the most appropriate treatment and assess whether cover applies. If you do not agree to provide this we may not deal with your claim.

13. Following the expiry of your statutory cooling off period, you continue to have the right to cancel your HSBC Travel Insurance policy at any time by contacting HSBC Bank plc.

14. We can, at any time and after taking a fair and reasonable view, make changes to your Travel Insurance terms and conditions, to reflect changes in our expectations of the future likely cost of providing cover. Policy cover may increase or decrease, but the changes will not be made for the sake of recouping past losses.

When doing so we will only consider one or more of the following:

- our experience and expectations of the cost of providing this product and/or other Aviva products of a similar nature.
• information reasonably available to us on the actual and expected claims experience of insurers of similar products.
• widely available economic information such as inflation rates and exchange rates.

Changes (together with the reasons for such changes) will be notified to you in writing at least 30 days in advance.

Additionally, we can, at any time and after taking a fair and reasonable view, make changes to your Travel Insurance terms and conditions:
• to reflect changes (affecting us or your policy) in the law or regulation or the interpretation of law or regulation, or changes in taxation.
• to reflect decisions or recommendations of an Ombudsman, regulator or similar person, or any code of practice, with which we intend to comply.
• in order to make your policy clearer and fairer to you or to rectify any mistakes that may be discovered in due course.

Changes (together with the reasons for such changes) will be notified to you in writing at least 30 days in advance.

15. We (or any agent we appoint and who acts with our specific authority) may cancel this Travel Insurance policy by sending 30 days notice to your last known address.

**Fraud Prevention and Detection**

In order to prevent and detect fraud HSBC Bank plc and the insurer may at any time share information about you with other organisations and public bodies including the police. You should show these notices to anyone who has an interest in the insurance under the policy.

If you, or anyone acting for you, make a claim under this policy knowing the claim to be dishonest or intentionally exaggerated or fraudulent in any way, or if you give any false declaration or statement to support the claim, we will not pay the claim and all cover under the policy will end. We reserve the right to tell the police about any dishonest claim.
Your health

This policy is not a general health or private medical insurance policy and will only cover you if you have a sudden and unexpected accident or become ill.

It does not cover:

- non-emergency treatment, or
- any treatment that you knew you might need whilst on your trip, or
- claims arising from any pre-existing medical conditions unless declared to and accepted in writing by the Medical Risk Assessment Helpline.

It is therefore very important that you read the Medical Declaration below, and provide complete and accurate information. The Medical Declaration applies on the date you opened your HSBC Premier account or when the trip was booked, (whichever is later); it applies to all insured persons and anyone else upon whose good health your trip depends, even if they are not travelling with you. Please read this carefully as it may affect your cover.
