How your policy works

*Your* travel insurance policy reference PTXHCH10000 is a contract between *you* and *us*. *We* will pay for any claim *you* make which is covered by this policy and happens during the period of cover. *Your* policy does not cover all possible events and expenses. This policy is only valid when *you* make *your* travel arrangements and pay for all or part of the travel tickets or accommodation using the *card* before *you* begin *your* journey.

Please read the whole of this policy before *you* travel and make sure *you* understand exactly what is and is not covered. It is important because it contains information on how *we* will deal with *your* claim.

Certain words and phrases in this document have special meanings. These are in bold and are explained in ‘Definition of words’ on pages 8 to 10.

If *you* have any questions, please contact HSBC Card Services on 08457 404 404 immediately.

**Trip limit**

*You* are not covered on this policy for any *journey* over 31 days, please make sure that this *journey* duration is adequate for *your* needs before *you* travel.

**Eligibility**

If *you* have any questions regarding *your* eligibility for this Travel Insurance, such as pre-existing medical conditions suffered by *you* or anyone on whom the *journey* depends, please contact the *insurer*. If any changes arise please provide *us* with details.

*HSBC Bank plc* and the *insurer* recommend *you* keep a record (including copies of letters) of all information provided to the *insurer* for future reference.
Policy excess

Under most sections of your policy, you will have to pay an excess. This means that you will be responsible for paying the first part of the claim for each incident. The amount you have to pay is the excess.

Cancellation Rights

This policy has been provided with your HSBC Platinum Credit Card and can only be cancelled when the card is cancelled.

Period of insurance

Cancellation cover as described in section 1 starts from the date you arrange all or part of your travel tickets or accommodation and pay for them using the card. The period of cover for all other sections starts at the beginning of each journey where the card has been used to pay all or part of the cost of purchase of the travel tickets or accommodation for the journey and finishes at the end of each journey.

Extending the period of cover

If you or anyone travelling with you cannot finish their journey before the end of the single journey limit (31 days) as planned because of death, illness, or injury, or there is a delay to the public transport system that cannot be avoided, we will extend that period of cover until you can reasonably finish that journey.

Documents needed to claim

You may need to get some information about your claim while you are away. Please read the conditions and the individual sections of your policy for more information.
