

Customer and Stakeholder Engagement: Lewes

On 30 November 2022 we announced the closure of 114 branches, including our branch at Lewes. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 20th and 23rd January, we wrote to all regular users of this branch. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to Maria Caulfield, constituency MP, on 30 November 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Post Office
- HM Treasury
- Cash Action Group
- CBI

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to Maria Caulfield, Constituency MP and there has been no further correspondence.
- We received a response to our letter from Ashley Price, President of Lewes Chamber of Commerce. Our Local Director, Paul Amos responded outlining the factors we consider when making these decisions and referred to our Impact Analysis which is available on our website.
- The overall feedback from our customers has been disappointment, with understanding of the reason for closure as the branch is relatively quiet.
- Calls to vulnerable customers have been well received and they have generally welcomed the opportunity to discuss the branch closure as a follow-up to the letter they received. During these calls we have taken the time to understand our customers' specific circumstances, which has allowed us to provide our customers with information on the services that may be suitable for them.

Follow up action taken

- Our Local Director, Paul Amos and Network Manager, Simon Pitts, have met with the Post Office Area Manager, Graeme Bower to discuss the closure and the support they can offer our customers. Graeme attended the branch during a HSBC@home session on 14 April 2023.
