

## **Customer and Stakeholder Engagement Barnet, High Street**

On 19 January 2021 we announced the closure of 82 branches, including our branch at Barnet, High Street. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

### **Customer and stakeholder contact**

On 8 June we wrote to all customers who either hold accounts at the branch, use it frequently or live nearby. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to, Rt Hon Theresa Villiers, constituency MP, on 19 January to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all of our customers during this period of change.

At announcement we wrote to a number of key stakeholders. These included:

- Which?
- Age UK
- Citizens Advice
- Alzheimer's Society
- Post Office

On 9 June our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Council Leader of Barnet London Borough Council, Daniel Thomas
- Councillors David Longstaff, Wendy Prentice and Julian Teare at Barnet London Borough Council
- Chipping Barnet Library
- Barnet Community Money Advice
- Citizens Advice
- North London Chamber of Commerce
- Age UK Barnet
- Alzheimer's Society
- RNIB

We have published an Impact Assessment on our public website. We also made copies of the report available in the closing branch. The assessment includes further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. These reports can be accessed at [www.hsbc.co.uk/branch-finder](http://www.hsbc.co.uk/branch-finder).

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

### **Customer and stakeholder reaction/feedback**

- We have written to Rt Hon Theresa Villiers, constituency MP, and there has been no further correspondence.
- We have received correspondence from Councillor David Longstaff regarding the closure of Barnet branch. Our Local Director, Sevgi Kamalak, has been in contact with Councillor Longstaff and discussed the alternative ways to bank with us following the branch closure along with the support we are giving to our customers.
- Many customers have mentioned the great service they have received from the branch over a number of years.
- Although customers have been disappointed with the closure of the branch they are pleased that the staff have been redeployed to other local branches.
- We have identified a number of potentially vulnerable small business banking customers who regularly use the branch and we have contacted these customers to discuss suitable alternative ways to bank.

### **Follow up action taken**

- We have contacted all of our customers who have expressed dissatisfaction in a survey to understand their specific situation and explain all of their options.
- One of our vulnerable customers was extremely nervous about visiting the Post Office to undertake their banking following closure. A member of the branch team went with the customer to visit the Post Office to help to support, the customer was very thankful for our help and is now confident to use the Post Office moving forward.

- We have offered customers the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our new digital education programme and has been designed to educate & upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
- All staff in Barnet, High Street branch have received tailored vulnerable customer training to upskill them in holding in depth conversations to support our customers in finding alternative ways to bank.
- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customer's specific circumstances for example, where they live or transport used. This has allowed us to provide our customers with information on the services that may be suitable for them such as local Post Office or digital options available through our app or online banking.
