

Customer and Stakeholder Engagement Birmingham, Erdington

On 19 January 2021 we announced the closure of 82 branches, including our branch at Birmingham, Erdington. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 29 March we wrote to all customers who either hold accounts at the branch, use it frequently or live nearby. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to, Jack Dromey, constituency MP, on 19 January to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all of our customers during this period of change.

At announcement we wrote to a number of key stakeholders. These included:

- Which?
- Age UK
- Citizens Advice
- Alzheimer's Society
- Post Office

On 30 March our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Councillors Robert Aldren and Gareth Moore at Birmingham City Council.
- Castle Bromwich Parish Council.
- Smith's Wood Parish Council.
- Kingshurst Parish Council.
- Bickenhill and Marston Green Parish Council.
- Tina Mellor and Kelli Organ, Post Office Area Managers.
- Greater Birmingham Chamber of Commerce.
- Sutton Coldfield Chamber of Commerce.
- Erdington Library.
- Age Concern.
- Age UK.
- Alzheimer's Society Birmingham and Solihull.

- Citizens Advice.
- Riverside Money Advice.
- RNIB.

We have published an Impact Assessment on our public website. We also made copies of the report available in the closing branch. The assessment includes further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. These reports can be accessed at www.hsbc.co.uk/branch-finder.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to Jack Dromey, constituency MP, and there has been no further correspondence.
- Many customers have told us they are pleased the branch team are being redeployed to other local branches.
- There has been some commentary regarding the branch closure in our customer satisfaction surveys. Generally, customers are disappointed the branch is closing. We have contacted these customers directly to understand their specific situation and find an alternative way to bank.
- We have identified a number of potentially vulnerable small business banking customers who regularly use the branch and we have contacted these customers to discuss suitable alternative ways to bank. A number of these customers were not aware of the Post Office services available and were pleased they no longer need to make a long trip to a branch to pay in cash.
- Customers have been very pleased they can use the local Post Office to complete their banking following the closure. The team in the branch have supported customers to ensure they are aware of the services the Post Office offer and can access these following closure of the branch.

Follow up action taken

- We have contacted the Postmaster of the 3 local Post Offices to ensure they are aware of the closure of Birmingham, Erdington branch and the services they can provide to our customers. We have formed a good relationship with the Post Office which will support a smooth transition for our customers and have offered any support the Post Office need from us.
- All staff in Birmingham, Erdington branch have received tailored vulnerable customer training to upskill them in holding in depth conversations to support our customers in finding alternative ways to bank.
- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customer's specific circumstances for example, where they live or transport used. This has allowed us to provide our customers with information on the services that may be suitable for them such as local Post Office or digital options available through our app or online banking. One particular instance that stands out is an extremely vulnerable customer who relies on the team in the branch to support with their day to day banking. Our team in the branch have spent time with the customer and their carers to ensure that we have explained all the available options and supported the customer and the carers to get everything in place ahead of closure. The customer was extremely happy with this and no longer feels anxious about the branch closing.
- We have offered customers the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our new digital education programme and has been designed to educate & upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
