

Customer and Stakeholder Engagement Colchester, North Station Road

On 19 January 2021 we announced the closure of 82 branches, including our branch at Colchester, North Station Road. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 8 February we wrote to all customers who either hold accounts at the branch, use it frequently or live nearby. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to, Will Quince, constituency MP, on 19 January 2021 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all of our customers during this period of change.

At announcement we wrote to a number of key stakeholders. These included:

- Which?
- Age UK
- Citizens Advice
- Alzheimer's Society
- Post Office

On 22 February our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Councillor Mark Cory, Essex County Council
- Essex Chamber of Commerce
- Wayne Cowan, Post Office
- Stephen Mathews, Post Office
- AGE UK
- Dementia Support
- Citizens Advice
- Colchester Library
- Colchester Sight Centre

We have published an Impact Assessment on our public website. We also made copies of the report available in the closing branch. The assessment includes further details on the

reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. These reports can be accessed at www.hsbc.co.uk/branch-finder.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to Will Quince, constituency MP, and there has been no further correspondence.
- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customer's specific circumstances for example, where they live or transport used. This has allowed us to provide our customers with information on the services that may be suitable for them such as local Post Office or digital options available through our app or online banking.
- Customers have told us they are disappointed that the branch is closing however have been very happy that the team in the branch have taken the time to discuss the alternative options available to them.
- Some customers have told us they like having a branch outside of town with its own car park, and they do not wish to travel into the town centre to visit Colchester, High Street branch and pay for parking.
- We have identified a number of potentially vulnerable small business banking customers who regularly use the branch and we have contacted these customers to discuss suitable alternative ways to bank.

Follow up action taken

- We have contacted all of our customers who have expressed dissatisfaction in a survey to understand their specific situation and explain all of their options. We supported some of these customers in registering for digital banking and reassured them that staff in the local branches would be able to continue to help them. We talked through the services the Post Office offers.
- We have supported many of our customer's in registering for internet and mobile banking in-branch. They have been grateful for the support and us taking the time to show them how they can complete their day to day banking.

- We have spent time supporting our customers with a physical disability and made the most of the car park to find a convenient alternative way to bank. These customers have been grateful when we have found a solution.
- We have contacted the 3 local Post Offices to ensure they are aware of the closure of Colchester, North Station Road branch and the services they can provide to our customers.
- All staff in Colchester, North Station Road branch have received tailored vulnerable customer training to upskill them in holding in depth conversations to support our customers in finding alternative ways to bank.

Contacting the bank after closure

Following the closure of this branch, if you have any questions or need advice on how to access our services, you can contact us in the following ways:

- Visit us at <https://www.hsbc.co.uk/ways-to-bank/>
