

HSBC £200 Switching Offer

Terms and Conditions

1. These terms and conditions (the "Offer Terms") are an agreement between you and us and apply when you switch your current account to either an HSBC Advance Bank Account or an HSBC Premier Bank Account in the UK*¹ (each an "Eligible Account"). These Offer Terms apply in addition to and should be read together with the terms and conditions that apply to the HSBC account to which you switch contained within our "Personal Banking Terms and Conditions and Charges" document (Product Terms).

2. If there is a conflict between these Offer Terms and the Product Terms, these Offer Terms will apply.

3. In these Offer Terms "we, us or our" means HSBC Bank plc.

Eligibility Criteria for Initial Offer Payment and access to 0% interest on overdraft for six months

4. We will make the Initial Offer Payment described at clause 5, and provide access to a 0% interest overdraft on your Eligible Account as described at clause 7, if you comply with all the following requirements, namely:

- you apply for an Eligible Account from 13 September 2017 up to 26 November 2017 and such account is subsequently opened;
- you are not an existing HSBC current account holder on the date of application (and have not been on or after 1 January 2015)*². If you are opening a joint Eligible Account, this requirement must be met by at least one account holder;
- you instruct us to start a full switch of a current account, including at least two Direct Debits or Standing Orders, to your Eligible Account using the Current Account Switch Service (CASS) to start within 30 days of the date of your Eligible Account being opened. Where your existing provider is not part of CASS we will accept a paper switch (available in branch only), where there is a clear instruction to close the existing current account, within 30 days of your Eligible Account being opened. If you are opening a joint Eligible Account both account holders must do this; and
- you continue to hold an Eligible Account on the date we make the Initial Offer Payment.

The Initial Offer Payment

5. If you meet the requirements to qualify for the offer as described at clause 4, we will make an Initial Offer Payment of £150 within 50 days of the switch completion date. The payment will be made by a direct credit into your Eligible Account.

6. We will make one Initial Offer Payment per Eligible Account opened in accordance with these Offer Terms. If the Eligible Account is a joint account, we will not make an Initial Offer Payment per account holder.

Access to 0% interest on overdraft for six months

7. If you meet the requirements to qualify for the offer as described at clause 4, we won't charge overdraft fees or overdraft interest on the entire balance of your formal overdraft for six months from the CASS initiation date. The CASS initiation date is the date that we receive final instructions from you to switch your existing account to the Eligible Account. On expiry of the six month period:

- if you are an HSBC Advance customer, you will be charged interest on any overdrawn balance; or
- if you are an HSBC Premier customer, you will be charged interest on any overdrawn balance over £500.

8. In addition to any interest charges, you may also be charged a fee on any day your account is in informal overdraft. For further details, please see the Product Terms.
