

Customer and Stakeholder Engagement Dorking, West Street

On 19 January 2021 we announced the closure of 82 branches, including our branch at Dorking, West Street. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 15 June we wrote to all customers who either hold accounts at the branch, use it frequently or live nearby. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to, Sir Paul Beresford, constituency MP, on 19 January to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all of our customers during this period of change.

At announcement we wrote to a number of key stakeholders. These included:

- Which?
- Age UK
- Citizens Advice
- Alzheimer's Society
- Post Office

On 15 June our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Cllr Stephen Cooksy
- Cllr Margaret Cooksey
- Cllr Nick Wright
- Cllr Chris Coghlan
- Cllr David Draper
- Post Office, Cristina Scaramella
- Parish Council, Trevor Haylett and Jan Russell
- Chamber of Commerce
- Age UK
- Alzheimers UK
- Citizens Advice Bureaux
- Trussell Trust
- RNIB Community Service

- Community Debt Advice

We have published an Impact Assessment on our public website. We also made copies of the report available in the closing branch. The assessment includes further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. These reports can be accessed at www.hsbc.co.uk/branch-finder.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to Sir Paul Beresford, constituency MP, and there has been no further correspondence.
- Many customers have told us they are pleased the branch team are being redeployed to other branches close by and have Thanked them for their care, excellent service and friendliness. Some customers will continue to use other local branches as they enjoy the face to face interaction with the branch teams.
- Customers have been grateful for support on digital and mobile banking from the branch team.
- Customers have been very pleased they can use the local Post Office to complete their banking following the closure. The team in the branch have encouraged customers to start using the Post Office services now so they feel confident to continue using following closure of the branch.

Follow up action taken

- Local Director, Rob Clapham has visited the 3 local Post Offices to ensure they are aware of the closure of Dorking, West Street branch and the expectation of increased footfall. All are aware they need to provide customers with a paying in envelope. Many customers have been using the Post Office and the teams are aware of the services which can be provided to HSBC customers.
- We have supported customers set up Third Party Access to make banking easier for them going forward once the branch has closed.

- We have helped many customers register for internet and mobile banking. We have taken the time to guide customers through the different features.
- All staff in Dorking, West Street branch have received tailored vulnerable customer training to upskill them in holding in depth conversations to support our customers in finding alternative ways to bank.
- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customer's specific circumstances for example, where they live or transport used. This has allowed us to provide our customers with information on the services that may be suitable for them such as local Post Office or digital options available through our app or online banking.
- Our Community Tablet Support Program has enabled us to identify and provide a number of customers with a tablet so they can continue to bank at ease when the branch closes. We have supported these customers set up online banking and guided them through the different features.

Contacting the bank after closure

Following the closure of this branch, if you have any questions or need advice on how to access our services, you can contact us in the following ways:

- Visit us at <https://www.hsbc.co.uk/ways-to-bank/>
