COVID-19: What am I covered for?

Your HSBC Jade Travel Insurance will provide cover for events relating to COVID-19, such as:

- emergency medical expenses abroad, cancelling or coming home early if you fall ill with COVID-19
- cancelling or coming home early if you have to self-isolate or quarantine before you travel or while on your trip due to COVID-19 (please be aware, this doesn't include having to self-isolate or quarantine when you return from your trip)
- cancelling or coming home early due to an FCDO advisory notice being in place advising against all or all but essential travel to your destination or the FCDO are advising British citizens to leave the area in which you are staying. Cover for cancellation is only available if the advice is in place during the 31 days before your departure date

If you have suffered with COVID-19 and needed medical treatment, then as with other medical conditions you may need to tell us about this. We will then screen it and tell you if this affects your cover. Please refer to the Your health section on page 22.

Your HSBC Jade Travel Insurance will only cover you for unexpected and unforeseen events – please refer to the Known events section on page 18. We recommend you read your policy terms and conditions for full details of what is and isn't covered.

What costs can I claim back from my travel insurance?

Your travel policy provides cover for unrecoverable costs. If you need to make a claim for travel, accommodation or related costs which you or any insured person has paid, we will consider claims for your costs which are unrecoverable from your travel and/or accommodation provider or agent, your debit/credit card company, PayPal, ABTA, ATOL or similar organisations. For example, if your trip is cancelled by your tour operator or booking agent you may have a right to a refund from them for some or all of the cost of your trip. For further information on what you would need during a claim, please see the Unrecoverable costs section on page 12.

Do I need to tell you that I am travelling?

No. As long as you have told us about any relevant pre-existing medical conditions you do not need to register with us or tell us that you are travelling.

Do you need to know about any medical conditions?

Yes. If you, or any insured person, have any medical conditions, you should check to see if the condition is covered automatically on the Accepted conditions list. If the condition is not listed and if in the 12 months prior to booking a trip you have been prescribed medication, have received or are awaiting medical treatment, tests or investigations, been referred to a specialist or admitted to hospital, you should call us before making the booking. Undiagnosed symptoms are not covered. Please see the Your health section on page 22 for full details of when and what you must declare.

What is the policy excess?

Where a policy excess applies it is £50 per person, per trip.

What is the maximum trip length?

Trips should be no longer than 31 days and must start and end in the UK. However, when booking your trip you may be able to purchase an upgrade to increase the trip length to a maximum duration of 120 days.

Can my partner travel independently?

Yes, partners who are not named account holders can travel without the account holder at any time provided they are eligible and the account holder is aged under 80.

Are holidays in the UK covered?

Yes. If the trip is solely within the UK, cover will only apply where the insured person is away from home for at least 2 consecutive nights. They must also have either pre-booked holiday accommodation in a commercially run premises or prepaid bookings on public transport including flights and ferries.

Are winter sports holidays covered?

Yes. Winter sports holidays are covered for up to a maximum of 31 days in any calendar year. Please see the full details of what is covered on page 43.

Are business trips covered?

Yes, you will be covered to travel outside the UK in connection with an insured person's job to carry out non-manual work such as administrative tasks, meetings and conferences. We do not cover any claim in connection with an insured person's job where the trip involves manual or physical work of any kind, working with children, providing healthcare, policing, security or military service or an insured person's role as a politician, religious leader, professional entertainer or sportsperson.

Can I claim for cancellation of my trip if I have a problem with my travel documents, e.g. my passport is out of date/has not arrived in time or my visa is invalid?

No. There is no cover under this policy for problems with your travel documents before you leave. If your passport is lost or stolen or damaged while you are abroad there is cover. Please see the Emergency travel documents section on page 34. Before you book a trip, check the entry requirements of the country you intend to visit with the local government embassy and/or the Foreign, Commonwealth and Development Office website [gov.uk/foreign-travel-advice](https://www.gov.uk/foreign-travel-advice).

Our team will coordinate your treatment which may include moving you to another hospital or arranging to bring you home early. If necessary, we can arrange for a telephone consultation with our UK GPs.

In non-life threatening situations please contact our 24-hour Medical Emergency Assistance number before making any arrangements for:

- admission to hospital

Unrecoverable costs

Your travel policy provides cover for unrecoverable costs. If you need to make a claim for travel, accommodation or related costs which you or any other insured person has paid, we will consider claims for your costs which are unrecoverable from your travel and/or accommodation provider or agent, your debit/credit card company, PayPal, ABTA, ATOL or similar organisations.

For example, if your trip is cancelled by your tour operator or booking agent you may have a right to a refund from them for some or all of the cost of your trip.

If you are not able to recover all of your costs and your circumstances are covered by the terms of your policy, we will consider costs which you have been unable to recover.

When you make a claim, we may ask you for:

- proof of booking and any costs paid
- details of any refund you have been able to obtain
- evidence that you are not able to recover your costs elsewhere

Please check these terms and conditions carefully to ensure you:

- understand what is and isn't covered
- contact the relevant helpline as soon as you can for assistance
- keep any documentation that we require as you'll need to provide this in order for us to validate and settle your claim – we may refuse to pay your costs where you cannot provide this

Limits and excesses

All limits in this policy are per person (apart from Personal liability, which is per incident, per policy).

You'll need to pay the first £50 of any claim, per insured person, per trip (unless stated otherwise). This means that if the total value of your claim is less than £50 per person, per trip, we'll not make any payment to you.

If any one incident results in you claiming under more than one section of the policy you will only pay one excess, and where two or more people claim for the same incident, the most you will pay is twice the excess.

Claims conditions

Your duties

You must:

- contact us as soon as is reasonably possible and provide all the information, documents, evidence and help we need to settle your claim or pursue a recovery
- tell us if you're aware of any writ, summons or prosecution
- send us every communication relating to a claim as soon as possible

You or any person acting for you, must not negotiate, admit or reject any claim without our permission in writing.

Our rights

If we want to, we can take over and conduct in the name of the person claiming under the policy, the defence or settlement of any claim or issue proceedings for our own benefit to recover any payment we have made under this policy. We shall have full discretion in the conduct of any proceedings or the settlement of any claim.

Claims

You or your legal representative must pay for any certificates, information, or other evidence we may need, for example death or medical certificates, police reports or purchase receipts. These costs will not be covered by the policy.

We may also ask you for evidence that your main home is in the UK.

If we make a payment before cover is confirmed and our claim investigation reveals that no cover exists, you must pay us back any amount we've paid that you are not covered for.

If you make a medical claim, you may be asked to provide:

- consent for us to access your medical records in accordance with the Access to Medical Records Act 1998. We will use this information to deal with your claim, including assessing whether cover applies and assisting the treating doctor in providing you with the most appropriate treatment. Without this information, we may not be able to deal with your claim
- a medical report from the treating doctor

We'll assess whether any proposed treatment is an emergency or whether it can wait until you have returned home. If appropriate, we'll arrange for your return to the UK.

In the event of a claim for injury or illness, we may request and pay for you to be medically examined on our behalf. We may request and pay for a post-mortem in the event of a claim for death.

It may affect your claim if you cannot prove the value of, and that you were responsible for the lost, stolen or damaged items, for example a receipt or credit card/bank statement showing evidence of their purchase, proof of withdrawal or a currency exchange receipt. If you are claiming for damage, we may ask you to send us the broken item.

3. Things you need to know about this travel insurance

Who's covered

This HSBC travel policy provides cover for the following 'insured person(s)':

- 'You' – the account holder aged 79 or under when the trip starts
- 'Your partner' who lives at home with you, aged 79 or under when the trip starts
- 'Your children' – you and/or your partner's dependent children aged under 23 when the trip starts (including stepchildren and foster children)
- 'Grandchildren' – Grandchildren aged under 23 when the trip starts

Keep in mind

Grandchildren are only covered when they are travelling with you or your partner.

Meeting your needs

This policy has been designed to meet the needs of people who wish to protect against costs that could arise in the course of their travels. It covers such things as cancellation, coming home early, emergency medical treatment, personal liability, legal expenses and the theft of your money.

Eligibility

To be covered all insured persons must be residents of the UK (have their main home address in the UK).

Additionally, to be covered for emergency medical claims or claims for cancellation or coming home early due to medical emergencies, insured persons must be registered with a doctor in the UK.

Trip

By 'trip' we mean a journey that begins and ends in England, Scotland, Wales, Northern Ireland, the Channel Islands or Isle of Man ('UK'), where the journey starts after the account was opened and the return journey has been booked before leaving the UK, for the purposes of any of the following:

- holidays e.g. winter sports holidays and cruises or travel for other personal reasons unrelated to an insured person's employment
- voluntary, charity or conservation work or fundraising for a registered charity or conservation organisation
- travel outside the UK in connection with an insured person's job to carry out non-manual work such as administrative tasks, meetings and conferences

Keep in mind

- If a trip or part of a trip is arranged for any reason other than those listed, alternative travel insurance should be sought as we'll not pay any claim in these circumstances. If a trip is in connection with an insured person's job, they should check if the employer has travel insurance that would provide cover.
- We'll provide insured persons with the cover set out in these terms and conditions for trips up to a maximum of 31 days (unless a cover upgrade has been purchased for the trip, please refer to Trip duration upgrade on page 21 for full details). Cover automatically applies for each trip booked, so we do not need to be advised every time a trip is booked.
- If the trip is solely within the UK, cover will only apply where the insured person is away from home for at least 2 consecutive nights. They must also have either pre-booked holiday accommodation in a commercially run premises or prepaid bookings on public transport including flights and ferries.

We won't cover:

Any trip arranged:

- that started before the account was opened
- in connection with an insured person's job where the trip involves manual or physical work of any kind, working with children, providing healthcare, policing, security or military service or an insured person's role as a politician, religious leader, professional entertainer or sportsperson
- to carry out charity or conservation work where this involves working in a healthcare environment or working at heights of more than 3 metres
- to seek medical treatment or advice
- to give birth or to collect newly adopted or surrogate children

Known events**Keep in mind**

This policy covers insured persons for unexpected and unforeseen events and circumstances, for example, if they have an accident while they are on holiday and need urgent medical treatment.

We won't cover:

There is no cover in relation to any event, incident or circumstances if, at the time you opened your account, or a trip was booked (whichever is later), any insured person knew that, or could reasonably be expected to have known that:

- the event or incident had already occurred or was going to occur; or
- the circumstances existed, or were going to exist,

and the event, incident or circumstances could reasonably be expected to affect the insured person's travel plans.

For example:

- an insured person would reasonably be expected to know of any event, incident or circumstances (like an air traffic control strike) that had been widely reported in the media in the UK at the time you opened your account or a trip was booked (whichever is later)
- there is no cover for cancellation of a trip if travel plans are disrupted because flights are cancelled or any government or authority closes their borders, and these cancellations or restrictions were in place or had been announced at the time you opened your account or a trip was booked (whichever is later)

Please refer to the General exclusions.

Travel advice of the Foreign, Commonwealth and Development Office (FCDO)

Keep in mind

Foreign, Commonwealth and Development Office – travel advice by country:

- before an insured person books a trip and travels, they should check the FCDO website [gov.uk/foreign-travel-advice](https://www.gov.uk/foreign-travel-advice). It is packed with essential travel advice and tips, plus up to date information about different countries
- **all insured persons should be aware of any travel restrictions, entry requirements or advisory notices for the country they plan to visit**
- this policy provides cover should a trip be booked and then need to be cancelled or an insured person needs to return home early as a result of the FCDO advising against all travel or all but essential travel, or where British nationals are advised to return home

We won't cover:

- any claim that happens as a result of an insured person:
 - travelling against the advice of the FCDO
 - not complying with advice or measures which have been put in place by a government in the UK or overseas, for example quarantine rules or curfews
 - not having the correct travel documents or not meeting the entry requirements to a country they are travelling to or through
- any claim for cancellation if the restrictions or advice were in place or had been announced at the time you opened your account or the trip was booked (whichever is later)
- any claim for coming home early if the advice or measures had been announced when the insured person left the UK

Reciprocal healthcare agreements

The UK has reciprocal healthcare agreements with a number of countries and territories worldwide. If you or any other insured person are UK residents, these agreements mean that you may be entitled to urgent medical treatment at a reduced cost, or in some cases for free. We strongly recommend that insured persons check if the country they are travelling to has a reciprocal healthcare agreement in place and what the requirements are before they leave the UK. You can find more information online at [nhs.uk](https://www.nhs.uk) and search for healthcare abroad.

Contract of insurance

The contract of insurance consists of the following elements:

- your policy booklets
- changes to your policy in notices we give you

Please read them and keep them safe. It is the account holder's responsibility to ensure that all persons insured are aware of the terms of this policy.

In return for you complying with the policy terms and conditions, we will provide insurance for anything shown in your policy booklet as covered during the period of insurance.

Period of insurance

Each trip taken whilst the cover is in force will be treated as a separate period of insurance; individually subject to all policy terms, conditions, limitations and exclusions. Cover for each separate trip applies as follows:

- cancellation cover begins from the date you open the account or the date of booking each separate trip (whichever is later) and ends when the insured person leaves home to start the trip
- cover under all other sections begins when the insured person leaves home to start the trip and ends upon returning home providing that the trip does not exceed the trip limit of 31 days, unless you've purchased the trip duration upgrade (there's no cover for any incident which happens after the trip duration limit has been reached)

Extension of cover

If the insured person cannot get back to the UK before the trip limit ends, this insurance will remain in force:

1. for up to 14 days if any vehicle the insured person is travelling in breaks down or their pre-booked transport is cancelled or delayed; or
2. for as long as deemed medically necessary by us and in consultation with the insured person's treating doctor where the claim is for emergency medical treatment under this policy.

Trip duration upgrade	
<p>If anyone insured by this policy is planning a trip that will last longer than 31 days, this upgrade will provide cover for the entire duration of the trip up to a maximum of 120 days.</p> <p>A return trip must have been booked before you can buy this upgrade.</p> <p>To get a quote, call the Customer Service Cover upgrades number shown in section 1. How to get help.</p> <p>If we offer an upgrade, there will be a premium for you to pay.</p>	<p>Keep in mind</p> <p>This upgrade covers one single trip, you will need to buy one for each trip that exceeds 31 days.</p> <p>To ensure you are fully covered, you should buy an upgrade at the point of booking the trip.</p>
<p>There's no cover for any incident that happens during a trip if it occurs after 31 days unless you have purchased an upgrade in which case there is no cover once the selected upgrade duration expires.</p>	

Information and changes you need to tell us about including Your health

You must take reasonable care to provide complete and accurate answers to questions you are asked in relation to your policy. For example, before you book a trip or travel, you may need to tell us if you, or anyone else the trip depends on, has a medical condition or if there has been a change to a medical condition, not shown on the Accepted conditions list, which you have not already told us about (please see the Your health section). You can do this by calling the Medical Risk Assessment helpline.

You also need to let us know if you're planning a trip that is longer than the trip duration covered under this policy.

When we are notified of a change, we will let you know if this affects your policy, for example whether we are able to accept the change and if so, whether the change will result in revised terms or an additional premium. If the information provided by you is not complete and accurate, depending upon the information that you have given us, we may:

- amend any underwriting decisions for existing declared medical conditions, which may result in accepted conditions being excluded and/or
- refuse to pay any claim and/or
- cancel this policy.

You need to tell HSBC if you:

- move address – if this means that you are no longer a UK resident or your main address is no longer in the UK, all the cover under this policy will end
- change your name – this affects our ability to maintain and service your policy

If you are in any doubt, please contact HSBC.

Your health

Existing medical conditions – please read this section carefully.

Each and every time you are about to book a trip and again before you travel, it's important that you check this section to make sure you have told us everything we need to know about the health of each insured person.

If we do not have complete, up to date details we may not provide cover in the event of a claim.

This travel insurance is not a general health or private medical insurance policy and will only cover sudden and unexpected illness or accidents.

If you have an existing medical condition, we may be able to provide cover for it. You should read the 'Keep in mind' section below to find out what medical conditions you need to declare and when you need to declare them.

Keep in mind

Before booking a trip

You need to tell us about any diagnosed illness, injury or disease where in the 12 months before opening your account or booking a trip (whichever is later) an insured person has:

- been prescribed medication, including newly prescribed or repeat medication
- received or is awaiting medical treatment, tests or investigations
- been referred to, or is under the care of, a specialist/consultant
- been admitted to hospital or had surgery

You must also tell us if any of these happen regarding conditions you have already declared, if there are any changes to prescribed medication or if any of the conditions deteriorate.

There are certain conditions you don't need to tell us about and you can find them in the Accepted conditions list.

If an insured person has an undiagnosed symptom it won't be covered, you'll have to wait until they have a diagnosis before we can tell you if cover can be offered.

You don't need to tell us about contraceptive medication.

After booking a trip but before travelling

If, after a trip has been booked:

- an insured person is referred to a specialist/consultant or admitted to hospital because of a new condition/symptom, or a previously accepted condition, or
- there has been any deterioration or a change in prescribed medication to accepted conditions you have already told us about,

cover for cancellation of the trip will apply and we will pay for the unrecoverable travel costs you had paid before this happened.

If the insured person still wishes to travel you must call us and we'll tell you if we're able to cover the condition for this trip. If we're unable to provide cover, but they still wish to go on the trip, we will not pay any claim arising directly or indirectly from that condition.

If you booked a trip before opening your account you should call us as soon as possible to find out if any medical conditions can be covered for the pre-booked trip.

It's easy to let us know about any medical conditions you, your partner, your children or your grandchildren have - please call Medical Risk Assessment. We will need to know the name of the medical conditions and we will ask you questions to screen them. We will then let you know if they can be covered.

Accepted conditions

If the only medical conditions an insured person has are on the list and none of the restrictions or exclusions in the We won't cover section apply, the conditions will be automatically covered by this policy and you don't need to tell us about them.

However, if an insured person has a medical condition that is not on the list, or the restrictions/exclusions apply, you must tell us about all the conditions they have, including those shown on the list.

If you are in any doubt please call Medical Risk Assessment.

6. General conditions

Your cancellation rights

You have a statutory 14-day period in which to cancel this policy. This period begins on the date you open your account or the date you receive your policy document, whichever is later.

You can cancel this policy at any time, in order to do so the HSBC Jade account must be closed. If it is not closed, this policy will remain in force until any of the events in the automatic termination of cover occurs, or this policy is cancelled in accordance with the rights shown in the General conditions section.

To exercise your right to cancel, please contact HSBC or your HSBC Jade Relationship Manager.

Cover upgrades:

- you have a statutory right to cancel within 14 days from the day of purchase of the upgrade, or the day on which you receive your documents, whichever is later. If you wish to cancel, you'll be entitled to a full refund of the premium paid provided no insured person has travelled and there's been no claim or incident likely to give rise to a claim. If you don't exercise your right to cancel, it will continue in force and you will need to pay the premium.
- for cancellations outside this 14-day period no refund of premium will be made.

Our cancellation rights

HSBC can issue notice of cancellation immediately on our behalf by sending at least 30 days' written notice to your last known postal and/or email address setting out the reason for cancellation. Valid reasons include but are not limited to the following:

- where we reasonably suspect fraud
- where you fail to co-operate with us or provide us with information or documentation we reasonably require and this affects our ability to process a claim or defend our interests
- where you have not taken reasonable care to provide complete and accurate answers to the questions we ask. See the Information and changes you need to tell us about including Your health section
- where HSBC decide to offer this policy through an alternative provider

HSBC may also cancel this policy in accordance with the HSBC Jade Bank Account Terms and Conditions. Please refer to that document for further details.

Automatic termination of cover

The policy will remain in force until the first of the following automatic termination events occur.

The account holder:

- closes the account
- reaches 80 years of age (sole accounts) or all account holders reach 80 years of age (joint accounts). An account holder will not be eligible for cover if they reach 80 before the policy terminates
- is no longer a UK resident
- HSBC closes the HSBC Jade account under one of the reasons set out in the HSBC Jade bank account terms and conditions.

As your circumstances may change over time, it is important that you review the terms and conditions of your worldwide travel insurance regularly to check you remain eligible and that the cover remains adequate for your needs.

If an insured person is on a trip at the time an automatic termination event occurs, all cover will cease when the trip ends.

When we can make changes to your cover

We can, at any time and after taking a fair and reasonable view, but no more than once in a 6 month period, make changes to your Worldwide Travel Insurance terms and conditions, to reflect changes in our expectations of the future likely cost of providing cover. Policy cover may increase or decrease, but the changes will not be made for the sake of recouping past losses. When doing so we will only consider one or more of the following:

- our experience and expectations of the cost of providing this product and/or other Aviva products of a similar nature
- information reasonably available to us on the actual and expected claims experience of insurers of similar products
- widely available economic information such as inflation rates and exchange rates

Additionally, we can, at any time and after taking a fair and reasonable view, make changes to your Worldwide Travel Insurance terms and conditions:

- to reflect changes (affecting us or your policy) in the law or regulation or the interpretation of law or regulation, or changes in taxation
- to reflect decisions or recommendations of an ombudsman, regulator or similar person, or any code of practice, with which we intend to comply
- in order to make your policy clearer and fairer to you or to rectify any mistakes that may be discovered in due course

Changes (together with the reasons for such changes) will be notified to you in writing at least 30 days in advance.

Claims Fraud

If your claim is in any way dishonest or exaggerated, we will not pay any benefit under this policy and we may cancel your policy and backdate the cancellation to the date of the fraudulent claim. We may also take legal action against you to include recovery of any sums paid to you in respect of the fraudulent claim.

Contribution to claim

If, at the time of an incident which results in a claim under this policy, there is any other insurance or other source covering the same loss, damage, expense or liability, we are entitled to approach that insurer and/or other source for a contribution towards the claim and will only pay our share.

Your duty to prevent injury, loss, theft or damage

You and all other insured persons must take all reasonable precautions to protect yourselves, your property and the property of others.

Transfer of rights

You cannot transfer your rights under this policy. A person, partnership (whether limited or not) or company who is not insured under this policy has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

Payments made under compulsory insurance regulations and rights of recovery

If the law of a country in which this policy operates requires us to settle a claim which, if this law had not existed, we would not be obliged to pay, we shall be entitled to recover such payments from the relevant person insured or the person who incurred the liability.

Choice of Law

The law of England and Wales will apply to this contract, unless:

- you and we agree otherwise; or
- at the date of the contract you live in Scotland, Northern Ireland, the Channel Islands or the Isle of Man, in which case the law of that country will apply.

Use of Language

The Insurer or their agents may undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.

Automated decision making

We carry out automated decision making to decide whether we can provide insurance to you and on what terms, deal with claims or carry out fraud checks. In particular we may use an automated underwriting engine to provide a quote for this product, using the information we have collected.

How we share your personal information with others

We may share your personal information:

- with reinsurers who provide reinsurance services to Aviva and for each other in respect of risks underwritten by Aviva, with insurers who cover Aviva under its group insurance policies and with our brokers who arrange and manage such reinsurance and insurance arrangements.

They will use your data to decide whether to provide reinsurance and insurance cover, arrange and manage such cover, assess and deal with reinsurance and insurance claims under such cover and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations we share information with may be located outside of the European Economic Area (“EEA”). We’ll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect your privacy rights. For more information on this please see our Privacy Policy or contact us.
