

## **Customer and Stakeholder Engagement Maldon, High Street**

On 19 January 2021 we announced the closure of 82 branches, including our branch at Maldon, High Street. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

### **Customer and stakeholder contact**

On 20 April we wrote to all customers who either hold accounts at the branch, use it frequently or live nearby. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to, Rt Hon John Whittingdale, constituency MP, on 19 January to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all of our customers during this period of change.

At announcement we wrote to a number of key stakeholders. These included:

- Which?
- Age UK
- Citizens Advice
- Alzheimer's Society
- Post Office

On 20 April our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Councillor Wendy Stamp, Leader of Maldon District Council
- Councillor Stephen Nunn, Deputy Leader of Maldon District Council
- Councillor Penny Channer, Conservative Leader at Maldon District Council
- Maldon Library
- Mo Warren, Post Office Area Manager
- Citizens Advice
- Essex Sight
- Councillor Richard Perry at Heybridge Parish Council
- Mind

We have published an Impact Assessment on our public website. We also made copies of the report available in the closing branch. The assessment includes further details on the

reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. These reports can be accessed at [www.hsbc.co.uk/branch-finder](http://www.hsbc.co.uk/branch-finder).

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

### **Customer and stakeholder reaction/feedback**

- We have written to Rt Hon John Whittingdale, constituency MP, and there has been no further correspondence.
- General customer sentiment was disappointment that the branch is closing. Customers were pleased to learn the team in the branch were all being redeployed locally.
- We have identified a number of potentially vulnerable small business banking customers who regularly use the branch and we have contacted these customers to discuss suitable alternative ways to bank. A number of these customers were not aware of the Post Office services available and were pleased they no longer need to make a long trip to a branch to pay in cash.
- Although some customers have told us they are concerned about the distance to the nearest branch, they have been very pleased they can also use the local Post Office to complete their banking following the closure. The team in the branch have supported all customers to ensure they are aware of the services the Post Office offer and can access these following closure of the branch.

### **Follow up action taken**

- We have contacted all of our customers who have expressed dissatisfaction in a survey to understand their specific situation and explain all of their options.
- We have offered customer the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our new digital education programme and has been designed to educate & upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
- We have contacted the 3 local Post Offices to ensure they are aware of the closure of Maldon, High Street branch and the services they can provide to our customers.

Our Network Manager has visited the nearest Post Office to build a relationship with them.

- All staff in Maldon, High Street branch have received tailored vulnerable customer training to upskill them in holding in depth conversations to support our customers in finding alternative ways to bank.
- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customer's specific circumstances for example, where they live or transport used. This has allowed us to provide our customers with information on the services that may be suitable for them such as local Post Office or digital options available through our app or online banking.
- We have offered customers the opportunity to attend one to one digital support sessions which some customers have found useful.

### **Contacting the bank after closure**

Following the closure of this branch, if you have any questions or need advice on how to access our services, you can contact us in the following ways:

- Visit us at <https://www.hsbc.co.uk/ways-to-bank/>
