

Customer and Stakeholder Engagement Monmouth

On 15 March 2022 we announced the closure of 69 branches, including our branch at Monmouth. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

On 19th April we wrote to all customers who either hold accounts at the branch, use it frequently or live nearby. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to David Davies, constituency MP, on 15 March 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Which?
- Age UK
- Citizens Advice
- Post Office
- HM Treasury
- Cash Action Group

On 19th April our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Paula Hartlet at Monmouth Town Council
- Caitlin Williams at Monmouth Town Council
- Lynn Parker at Mitchel Troy United Community Council
- Kay Bailey at Llangattock Community Council
- Keith Shilton at Whitchurch and Ganarew Group Parish Council
- Kate Hughes at St Weonards Parish Council
- Richard Crichton at Newlands Parish Council
- Jo Francis, Local Post Office Manager
- David Evans, Secretary at Monmouth Chamber of Commerce
- Monmouth Library

We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. To view these reports just scan the QR code or visit <https://www.hsbc.co.uk/branch-finder>. Copies are also available in the closing branch.

Information correct at the time of publication.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to David Davies Constituency MP and there has been no further correspondence.
- Our Network Manager has visited the Local Post Office to discuss the closure with the Local Manager and has a meeting set up with the Post Office Area Manager to discuss this further.
- General customer sentiment was disappointment that the branch was being closed as some customers are not comfortable using digital channels. The staff within the branch have been actively supporting these customers and discussing alternative methods of completing transactions.
- Calls to vulnerable customers have been well received and they have generally welcomed the opportunity to discuss the branch closure as a follow-up to the letter they received. During these calls we have taken the time to understand our customer's specific circumstances, which has allowed us to provide our customers with information on the services that may be suitable for them.

Follow up action taken

- We have been supporting customers in setting up telephone and digital banking. The branch team have been speaking to customers who use the counter service, educating them on how to navigate mobile and internet banking, which will enable them to complete transactions using these channels. One customer in particular

Information correct at the time of publication.

had never heard of this service and this is now going to save them a lengthy trip to the branch as they have a Post Office less than a mile away from their home.

- All staff in Monmouth branch have received vulnerable customer training, to upskill them in holding in-depth conversations to support our customers in finding alternative ways to bank.
- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customers specific circumstances, for example, where they live or transport they use. This has allowed us to provide our customers with information on the services that may be suitable for them, such as the local Post Office or digital options available through mobile or online banking.
- We have offered customers the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our digital education programme and has been designed to educate and upskill customers on a range of topics from digital tools and services to fraud and financial fitness.

Contacting the bank after closure

Following the closure of this Branch, if you have any questions or need advice on how to access our services, you can contact us in the following ways:
