We wrote to, Anneliese Dodds, constituency MP, on 19 January to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all of our customers during this period of change.

branches, alternative ways to bank and how to contact the bank for additional support. These reports can be accessed at [www.hsbc.co.uk/branch-finder](http://www.hsbc.co.uk/branch-finder).

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.
