

## **Customer and Stakeholder Engagement Perth**

On 15 March 2022 we announced the closure of 69 branches, including our branch at Perth. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

### **Customer and stakeholder contact**

On 20<sup>th</sup> April we wrote to all customers who either hold accounts at the branch, use it frequently or live nearby. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to Pete Wishart constituency MP, on 15 March 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Which?
- Age UK
- Citizens Advice
- Post Office
- HM Treasury
- Cash Action Group

On 20<sup>th</sup> April our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- John Swinney, MSP
- Peter Barret, Local Councillor
- Andrew Parrot, Local Councillor
- Chris Ahern, Local Councillor
- Eric Drysdale, Local Councillor
- Perthshire Chambers of Commerce
- Max Sims and James Chilton, Local Post Office Managers
- Susan McMahon, Local Post Office Manager
- Greg Blackman, Local Post Office Manger
- Perth Library

We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for

additional support. To view these reports just scan the QR code or visit <https://www.hsbc.co.uk/branch-finder>. Copies are also available in the closing branch.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

### **Customer and stakeholder reaction/feedback**

- We have written to Pete Wishart Constituency MP and there has been no further correspondence.
- John Swinney (MSP) responded to our letter asking for a meeting with the local director to discuss the closure. Local Director Julie Dempsey responded and we are awaiting details of when a meeting can be arranged.
- Customers have shown concern about the members of staff in the branch and have been pleased to learn that the team would be relocating to nearby branches.
- A small number of customers have expressed concerns that they will no longer be able to receive English notes in the branch. We have taken the opportunity to discuss all the alternatives available to our customers requiring this service.

### **Follow up action taken**

- We have been supporting customers in setting up telephone and digital banking. The branch team have been speaking to customers who use the counter service, educating them on how to navigate mobile and internet banking, which will enable them to complete transactions using these channels.

*Information correct at the time of publication.*

- All staff in Perth branch have received vulnerable customer training, to upskill them in holding in-depth conversations to support our customers in finding alternative ways to bank.
- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customers specific circumstances, for example, where they live or transport they use. This has allowed us to provide our customers with information on the services that may be suitable for them, such as the local Post Office or digital options available through mobile or online banking.

### **Contacting the bank after closure**

Following the closure of this Branch, if you have any questions or need advice on how to access our services, you can contact us in the following ways:
