

## **Customer and Stakeholder Engagement Talbot Green**

On 19 January 2021 we announced the closure of 82 branches, including our branch at Talbot Green. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

### **Customer and stakeholder contact**

On 1<sup>st</sup> February we wrote to all customers who either hold accounts at the branch, use it frequently or live nearby. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to, Alex Davies-Jones constituency MP, on 19 January 2021 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all of our customers during this period of change.

At announcement we wrote to a number of key stakeholders. These included:

- Which?
- Age UK
- Citizens Advice
- Alzheimer's Society
- Post Office

On 2<sup>nd</sup> February our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Stephen Powell, Local councillor
- Jeff Woodington, Local Councillor
- Paula Williams, Local councillor
- Catherine Craven, Llantrisant Community Council
- Local Chamber of Commerce
- Sheila Prewal, Local Post Office
- Local Library
- Citizens Advice
- RNIB
- Age UK
- Alzhiemers Society

We have published an Impact Assessment on our public website. We also made copies of the report available in the closing branch. The assessment includes further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. These reports can be accessed at [www.hsbc.co.uk/branch-finder](http://www.hsbc.co.uk/branch-finder).

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

### **Customer and stakeholder reaction/feedback**

- A meeting was held on the 29<sup>th</sup> January with our Local Director, Joanne Watcyn-Jones, Alex Davis-Jones, Member of Parliament and Mick Antoniw, Member of the Senedd. This meeting was to discuss the closure of Talbot Green branch and the alternative options for our customers. A letter was also sent to Leanne Wood, Member of the Senedd without response.
- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customer's specific circumstances for example, where they live or transport used. This has allowed us to provide our customers with information on the services that may be suitable for them such as local Post Office or digital options available through our app or online banking.
- Some customers have told us they are disappointed that the branch is closing however are very happy that the team working within the branch are moving to other local branches.
- We have identified a number of potentially vulnerable small business banking customers who regularly use the branch and we have contacted these customers to discuss suitable alternative ways to bank. A number of these customers were not aware of the Post Office services available and were pleased they no longer need to make a long trip to a branch to pay in cash.

### **Follow up action taken**

- We have offered customers the opportunity to attend a HSBC@Home session around digital banking. HSBC@Home is our new digital education programme and has been designed to educate & upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
- Cowbridge branch is the closest to Talbot Green and the staff there have supported by phoning our potentially vulnerable customers. They have been able to offer local knowledge around parking and customers have liked speaking to a staff member of the branch they will now visit.
- For many customers we have located the most local Post Office to their house and explained the services they offer which has been very well received.
- We have contacted all of our customers who have expressed dissatisfaction in a survey to understand their specific situation and explain all of their options. We supported some of these customers in registering for digital banking and reassured them that staff in the local branches would be able to continue to help them. We talked through the service the Post Office offers. All of the customers we spoke to were grateful for the phone call.
- We have visited the 3 local Post Offices to ensure they are aware of the closure of Talbot Green branch and the services they can provide to our customers.
- All staff in Talbot Green have received tailored vulnerable customer training to upskill them in holding in depth conversations to support our customers in finding alternative ways to bank.
