Thank you for choosing HSBC UK Digital Banking.

Thank you for choosing HSBC UK Digital Banking.

Once you've completed this registration process, you'll be able to access your accounts and services, as well as view bank statements and other communications, online and through the mobile app.

If you'd like to go back to receiving paper statements, you can change your preferences in online banking.

Our top priority is to make sure your money and personal data are secure. Never share:

- Your Digital Banking log-on details,
- Digital Secure Key password, PIN or any code generated from your Security Device,
- One-time passcodes or activation codes,
- Passwords or security questions and answers.

Read our Terms and Conditions on the next page to continue the registration process.
